Dave and Jerry,

These pictures were almost brown and it was the very bright and sunny, as the film and slide show.

Agarever else cold be of interest can ot even be made out.

Not even the shirt collar.

And you have to look hard to make JFK outbut then you see noth-
img. What Isaw on theslide and told you about did notexist in
those picture I returned with this letter .

If and when I hear more I'll tell you.
